IMPORTANT INFORMATION—FALL 2018

Welcome to Middle Georgia State! Now that you have registered for classes, here is some more information...

1. Tuition payment is due no later than **July 25, 2018** by close of business. If you have not paid for your classes (either through Financial Aid or out-of-pocket), you will lose your schedule.
2. Get your books. Questions about books? Please visit the good people at the bookstore. They are ready and willing to help! NOTE: Check with Financial Aid to see when funds will be available in the bookstore. You can also shop online: <http://www.mga.edu/campus-store/>.
3. Get your Student ID and Parking Decal. Students may obtain their parking permit from the Police Department on the Macon, Cochran, and Eastman Campuses or the Administrative Office on the Warner Robins Campus. Take your schedule and car information (make/model/tag).
4. Please bookmark the Academic Calendar. By having the Academic Calendar, you will know information such as **early registration dates, final exam schedule, holidays, withdrawal dates, and much more.** <https://www.mga.edu/academics/calendars/index.php>
5. Learn more about your degree. Go to the Academic Catalog and print your Program of Study. By having your Program of Study, you will know which classes are appropriate for your major. You will not take a class that you do not need when you know your degree requirements. You will also be better prepared for your next advising appointment. <http://www.mga.edu/academics/academic-catalog.aspx>
